WELCOME TO MEMBERS AND FRIENDS

The ETVC Cotillion has evolved into a major showcase, both for ETVC and the entire transgendered community. The glamour, excitement and high spirits of the evening pay tribute to the warmth, courage and creativity our community has to offer.

While we gather to see who will be selected as the new Miss ETVC, what would a Cotillion be without debutantes? If you have never been a debutante before, we urge you to come forward, no matter what your age or gender identification, to join your new found friends and family on stage.

The winner of tonight's pageant will hold the title of Miss ETVC and become our organization's most visible representative. She will serve as a goodwill ambassador to the membership, the community and the general public until next year, when she steps down to make way for her successor.

Claiming this title entails facing some difficult challenges. The first of these came a week ago, when each of our contestants interviewed before a panel of judges to determine forty percent of her score. Tonight, they will each model active wear and formal wear as well as perform in the talent segment.

Those who accumulate the best scores through the interview and tonight's segments will become finalists. Finalists will each answer a question from the judges that accounts for twenty five percent of the total score. Select your favorite, toast the winner, sympathize with those who don't make it, applaud their sterling efforts and enjoy yourself as we celebrate the crowning of Miss ETVC

Congratulations to all the contestants

The Cotillion is our major event of the year. As such it requires the dedicated efforts of many of our members and friends in order to have a successful show.

I hope that this evening is a delightful event for all of you here tonight, and that you feel as beautiful as you are. Let's have fun not only tonight but throughout this year. Transgender is beautiful. May I express my heartfelt appreciation to all who have worked so hard to make this Cotillion a success, and to the contestants who have put themselves forward for our entertainment.

A BRIEF HISTORY OF ETVC

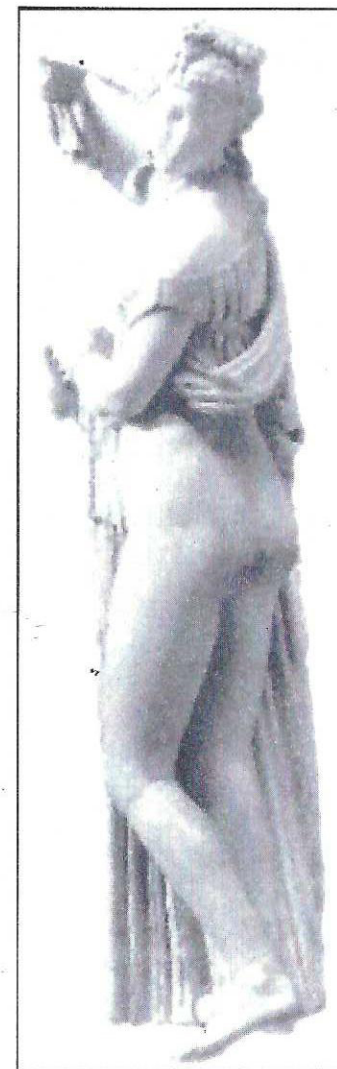

ETVC began in 1982 when a small group of friends formed the Educational TV Channel to end the isolation that most transgender people were experiencing in those days. To this end they decided that all major gatherings would be held in public venues, a radical idea for the time

Success was immediate and growth came rapidly. By 1989, when ETVC incorporated, we had grown to more than 400 members. In early 1994 ETVC became a 501 c(3) nonprofit organization under both federal and state laws. ETVC was also a major proponent of the transgender civil rights ordinance enacted in late 1994 by the San Francisco Board of Supervisors.

ETVC is open to all without regard to gender identity, sexual orientation, age, race, creed or disability. Its primary purpose is public education and support for the Bay Area transgender community. It maintains an extensive array of services including monthly education seminars, book, video and audio cassette libraries, the internationally renowned ETVC newsletter, a public speakers bureau, a hotline and voice mail system, computer bulletin board system, an anti-defamation program and monthly social events.

An all-volunteer organization, ETVC is supported by over 500 members and friends, including many of the businesses who advertise in this program.

For more information, call the ETVC Hotline and ETVC Voice Mail System (415) 564-3246. Also try the ETVC computer BBS at (415) 564-4903 8N1, up to 14,400 baud. You can also write us at ETVC, Outreach Committee, PO Box 426486, San Francisco, CA 94142-6486.
